

## **DRUG BREATH AND ALCOHOL TESTING POLICY**

### **PURPOSE**

This Policy aims to encourage and promote responsible attitudes and practices to alcohol.

The policy applies to all Club Members officials, volunteers and including drivers, parents, participants, competitors at all times.

Individuals covered by this policy have a role to play to help promote responsible alcoholic consumption.

T&LVKC is committed to maintaining and conducting its activities in a manner that encourages a responsible attitude towards consumption of alcohol.

### **OBJECTIVES**

This policy is intended to deliver the following objectives:

a. Establish responsible alcohol consumption, and reducing the harm associated with excessive alcohol consumption and the interests of the sport of karting at all levels.

b. The Club adheres to the principle that all people involved in its activities, whether or not in the public arena, should be able to enjoy attendance and the sport without unlawful behaviour or nuisance or disturbance, and be treated with dignity and respect.

### **POLICY**

Our club rules and regulations through this policy demand that the maximum permitted blood alcohol content during a club practice and race day event is 0.01mg/100ml.

Any persons found to exceed this amount will be excluded from any further participation in the practice, or race meeting, and may face further club imposed sanctions of membership benefits or penalties.

The consumption of alcohol by any competitor or persons on the club premises, or during any practice or competition conducted by the club is strictly forbidden, until all practice and or competition has completed for such practice or race meeting.

It is a condition of entry to the premises of the Toowoomba and Lockyer Valley Kart club and a propriety right of the club, that any person may be subject to such testing as required during any practice or competition activity.

Effective – 4 Nov 2018
