

## ***PROOF OF AGE POLICY***

### **PURPOSE**

This policy is designed to provide a formal acknowledgement to cover the ages of minor children and seniors over the age of 60.

### **OBJECTIVES**

To ensure that minors diligently participate in their designated age groups, and that seniors over the age of 60, who have known medical conditions, notify the club of any such condition that may prevent them participating in a kart on the circuit, and prior to participating in any competition or practice activity taking place at the club..

### **POLICY**

All applications for a club issued licence of minors (16 years and under) must include and or submit a copy or extract of birth or of some identification proof of age.

Seniors over the age of 60 – must provide, and make aware to the officials of the club , any medical condition that may warrant the refusal of the issue of a licence by the club or any other motor sporting organisation..
